The User's Guide provides clear and specific instructions on how to use the Number Sense Screener™.

This user's guide is part of NSS™, a quick, reliable, and affordable way to screen early numerical competencies in Grades K-1 and identify students at risk for later math struggles. A research-based tool that requires no extra training, Number Sense Screener™ (NSS™) K-1 gives schools the critical information needed to catch at-risk students early, predict mathematic achievement through at least third grade, start planning targeted interventions, and monitor progress. NSS supports progress toward national and state standards, including Common Core State Standards in Kindergarten and NCTM Standards and Focal Points.
