Teenage Mutant Ninja Turtles: Heroes in a Half-Shell (Teenage Mutant Ninja Turtles (Archie Comics)) Michael Dooney

One of the biggest cultural phenomena of the 1990s was a group of four green heroes and their furry ninja sensei. These weapon-wielding warriors exploded onto the scene with attitude and a penchant for pizza, revolutionizing kids' cartoons for over a decade. We are, of course, referring to "the world's most fearsome fighting team" - The Teenage Mutant Ninja Turtles! Now approaching their 25th anniversary, and with a recent CGI movie under their belts, the turtles are making a cowabunga comeback in the pages of Archie Comics' new graphic novel: Teenage Mutant Ninja Turtles: Heroes in a Half Shell! Reprinting the original, hard-to-find three-issue Archie Comics mini-series from the late 1980s, this pulse-pounding epic tells the story of the turtles' first battle with the evil Shredder and his trans-dimensional ally, Krang, as the sinister duo attempts to conquer the planet and destroy their anthropomorphic foes!
