Bhagavad Gita - The Song of God Swami Prabhavananda

This early edition of the Bhagavad Gita is both expensive and hard to find in its first edition. As a part of the ancient Sanskrit epic Mahabharata it is an important Hindu scripture detailing a conversation between Krishna and Arjuna on yoga, moksha, divine glory and other fundamentals of Hinduism. This fascinating work is thoroughly recommended for Hindus and those interested in the philosophies of the religion. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
