## **Gone without a Trace: A Novel (Logan Point) Patricia Bradley**

It's been more than two years since homicide detective Livy Reynolds's cousin disappeared from Logan Point. Unlike most people in her hometown, Livy has never believed that Robyn left voluntarily. When Dallas private investigator Alex Jennings contacts Livy concerning a missing senator's daughter who was last seen in Logan Point, she notices eerie similarities between the two disappearances. But with self-doubt plaguing her and an almost instant dislike of Jennings, Livy is finding this investigation an uphill battle. With her future in law enforcement on the line, can she find a way to work with a man who is her polar opposite?

Award-winning author Patricia Bradley keeps readers on the edge of their seats as they anticipate the outcome of the case--and the relationship between Livy and Alex--which is anything but certain.
