## United Nations Peacekeeping Challenge: The Importance of the Integrated Approach (Global Security in a Changing World)

Drawing from a diverse range of military, policing, academic and policymakers' experiences, this book seeks to provide solutions of how national militaries and police can work together to better support future United Nations peacekeeping operations. It addresses the growing tension between increasing non-combat related responsibilities being placed on land forces and the ability of UN peacekeeping forces to fulfil the demands of government and development tasks in fragile and conflict-affected environments. An original contribution to the debate on UN peacekeeping reforms that includes constructing an enhanced partnership for peacekeeping; building on renewed commitment to share the burden and for regional cooperation; providing peacekeepers with the necessary capabilities to protect civilians; and supporting nations in transition from conflict to stabilisation. This book offers the very latest in informed analysis and decision-making on UN peacekeeping reform.
