A Semicolon Kind of Life: Living & Healing with Colorectal Cancer Krista D'Ambroso

A Semicolon Kind of Life; Living & Healing with Colorectal Cancer, is my story of how I'm surviving one of the deadliest cancers in the world today. Diagnosed at 38, I did the standard treatments of chemotherapy, until I discovered there were other, more efficient options. After extensive research and self-experimentation, I formulated my own way to treat and heal myself that didn't involve harmful chemicals or a magic pill. In this book, I share the information I've compiled over the years, and offer encouragement, motivation, and most importantly, hope.
