Literacy expert Nancy Jennison has more than 18 years experience in successfully preparing students for standardized reading and writing tests, so she knows what works to raise those scores. In this comprehensive resource, she presents her strategies for integrating the skills students need to succeed on the tests with best practice teaching and your school's curriculum. From analyzing your state test, integrating the skills into your workshops throughout the year, planning test-prep genre units of study for both reading and writing, and using differentiation strategies to give your struggling students a boost, it's all here. A must-have for any teacher who wants to prepare students for the tests—without sacrificing quality instruction! For use with Grades 3-8.
