Pilgrims of the Alley: Living out Faith in Displacement Dave Arnold

Sometimes people wonder why they feel stuck in life, as if they are living out their days in an unnatural and often hostile environment. But the truth is, this is a reality for people attempting to follow Jesus in our world. We are displaced persons. But God is at work in displacement. And it's in this environment – in the alleys of life – where extraordinary growth takes place and our faith grows the most. This book is about a journey of understanding how we are to navigate a life of faith amid a world of such uncertainty, and oftentimes, of great darkness.
