Adrienne Dealey has spent the past six years working for hotels in exotic resort towns. This summer she has decided to make Nantucket home. Left flat broke by her ex-boyfriend, she's desperate to earn some fast money. When the desirable Thatcher Smith, owner of Nantucket's hottest restaurant, is the only one to offer her a job, she wonders if she can get by with no restaurant experience. Thatcher gives Adrienne a crash course in the business...and they share an instant attraction.

But there's a mystery about their situation: what is it about Fiona, the Blue Bistro's chef, that captures Thatcher's attention again and again? And why does such a successful restaurant seem to be in its final season before closing its doors for good? Despite her uncertainty, Adrienne must decide whether to open her heart for the first time, or move on, as she always does...in *The Blue Bistro* by Elin Hilderbrand.
