**Thinking Through Project-Based Learning: Guiding Deeper Inquiry** Jane I. Krauss, Suzanne K. Boss

*Everything you need to know to lead effective and engaging project-based learning!*

This timely and practical book shows how to implement academically-rich classroom projects that teach the all-important skill of inquiry. Teachers will find:

- A research-driven case for project-based learning, supported by current findings on brain development and connections with Common Core standards
- Numerous sample projects for every K-12 grade level
- Strategies for integrating project-based learning within all main subject areas, across disciplines, and with current technology and social media
- Ideas for involving the community through student field research, special guests, and showcasing student work
