From Book 1: Shelly Gelson had it all...a job teaching English at Carver High, her best friend Mel working by her side and she's engaged to her high school sweetheart Chase Marino. That is until Chase breaks her heart and leaves her for another teacher at the school. Now Shel is left broken-hearted and trying to figure out what she wants while watching Chase and the home wrecker make moon eyes at each other. Enter Matt Fuller, Shel's friend for the past 5 years and the perfect rebound. He's gorgeous, smart, funny and fits into Shel's idea of the right guy. Only problem is there may be more there than just a simple rebound. Is it a way to fill a void left by Chase, or is there more smoldering between these two friends? Find out what happens when the bell rings and the teenage drama ends and the adult drama begins. Who says being a teacher is boring? They obviously haven't met the teachers at Carver High.
