Bleeding Love (Hope Town) Harper Sloan

I've loved once. I gave everything that I had to that love. Blindly believing that nothing could ever take that feeling away from me. Away from us. And when my little world of happiness was ripped from my fingers, I felt a loss that still haunts me to this day.

Now I use that lingering grief as a shield to keep my heart from loving again. It's that fear that keeps me from letting anyone, except my daughter, get close enough to make it hurt. To make my heart bleed when I inevitably lose again.

Until the day I met Liam Beckett and everything I thought I had protected myself from was shoved back in my face. He's on a mission to prove to me that a love worth having is a love worth fighting for.

Bleeding Love is the second book in the Hope Town series. Each book in the series is a HEA and can be read as a standalone.
