Handbook of Equine Emergencies, 1e Debra Catherine Archer BVMS PhD CertES(soft tissue) DipECVS MRCVS

The Handbook of Equine Emergencies is a concise, easy-to-follow practical guide to how to deal with a range of equine emergencies likely to be encountered by clinicians both in the UK and abroad. It is primarily aimed at new graduates and veterinarians who do not deal with equine emergencies on a regular basis, but will also appeal to more experienced equine practitioners who want a quick update on a specific subject area or practical technique.

The Handbook is highly portable and contains a large number of colour images, diagrams and tables as well as handy tips and key points to remember. An overview of the basics of dealing with equine emergencies is followed by a convenient organ-based approach. The book includes invaluable information on infectious diseases and specialized emergency situations such as trapped horses or stable fires, and a how-to section gives concise but detailed descriptions of how to perform a number of diagnostic investigations.

The *Handbook* is accompanied by a mobile-optimized website that presents audio, video and text files for quick reprisal via phone or tablet while on-the-go. The website also includes additional colour images that are relevant to specific emergency situations covered in the book.

- Suitable for all veterinary clinicians seeing horses
- Concise and practical layout and content
- Videos, audio, text summaries and images all accessible via your mobile device
- More than 150 full colour unique images

From reader reviews:

Eric Chabot:

Information is provisions for anyone to get better life, information nowadays can get by anyone in everywhere. The information can be a expertise or any news even an issue. What people must be consider while those information which is within the former life are hard to be find than now's taking seriously which one works to believe or which one often the resource are convinced. If you get the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen inside you if you take Handbook of Equine Emergencies, 1e as your daily resource information.

Dorothy Whisler:

Spent a free a chance to be fun activity to perform! A lot of people spent their sparetime with their family, or their friends. Usually they undertaking activity like watching television, about to beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your own personal free time/ holiday? Could possibly be reading a book could be option to fill your totally free time/ holiday. The first thing that you will ask may be what kinds of publication that you should read. If you want to try out look for book, may be the book untitled Handbook of Equine Emergencies, 1e can be fine book to read. May be it might be best activity to you.

Gladys Jackson:

This Handbook of Equine Emergencies, 1e is great e-book for you because the content and that is full of information for you who always deal with world and get to make decision every minute. That book reveal it facts accurately using great coordinate word or we can state no rambling sentences inside. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tricky core information with wonderful delivering sentences. Having Handbook of Equine Emergencies, 1e in your hand like getting the world in your arm, info in it is not ridiculous one. We can say that no book that offer you world with ten or fifteen small right but this publication already do that. So , this is good reading book. Hey there Mr. and Mrs. hectic do you still doubt that will?

Kimberly Hogan:

What is your hobby? Have you heard that question when you got college students? We believe that that concern was given by teacher with their students. Many kinds of hobby, All people has different hobby. And also you know that little person like reading or as reading through become their hobby. You have to know that reading is very important as well as book as to be the point. Book is important thing to add you knowledge, except your current teacher or lecturer. You discover good news or update regarding something by book. Amount types of books that can you decide to try be your object. One of them is Handbook of Equine Emergencies, 1e.
