Why There Is No God: Simple Responses to 20 Common Arguments for the Existence of God Armin Navabi

- "Science can't explain the complexity and order of life; God must have designed it to be this way."
- "God's existence is proven by scripture."
- "There's no evidence that God doesn't exist."
- "God has helped me so much. How could none of it be true?"
- "Atheism has killed more people than religion, so it must be wrong!"

How many times have you heard arguments like these for why God exists? *Why There Is No God* provides simple, easy-to-understand counterpoints to the most popular arguments made for the existence of God. Each chapter presents a concise explanation of the argument, followed by a response illustrating the problems and fallacies inherent in it. Whether you're an atheist, a believer or undecided, this book offers a solid foundation for building your own inquiry about the concept of God.
