[(Cannabis: A History)] [Author: Martin Booth] published on (June, 2005) Martin Booth

To some it's the classic "gateway drug," to others it is a harmless way to relax, or provide relief from pain. Some fear it is dangerous and addictive, while others feel it should be decriminalized. Whatever the viewpoint, cannabis incites debate at every level, and the effect it has on every corner of the globe is undeniable. In this comprehensive study, Martin Booth crafts a tale of medical advance and religious enlightenment; of political subterfuge and law enforcement; of cunning smugglers, street pushers, gang warfare, writers, artists, and musicians. And above all, Booth chronicles the fascinating process through which cannabis became outlawed throughout the Western world, and the effect such legislation has had on the global economy.

From reader reviews:

Marissa Wegener:

Precisely why? Because this [(Cannabis: A History)] [Author: Martin Booth] published on (June, 2005) is an unordinary book that the inside of the publication waiting for you to snap that but latter it will distress you with the secret that inside. Reading this book alongside it was fantastic author who also write the book in such incredible way makes the content within easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of benefits than the other book possess such as help improving your proficiency and your critical thinking technique. So , still want to hold off having that book? If I were being you I will go to the book store hurriedly.

Glenn Bail:

Your reading 6th sense will not betray anyone, why because this [(Cannabis: A History)] [Author: Martin Booth] published on (June, 2005) reserve written by well-known writer we are excited for well how to make book that could be understand by anyone who all read the book. Written in good manner for you, still dripping wet every ideas and writing skill only for eliminate your personal hunger then you still hesitation [(Cannabis: A History)] [Author: Martin Booth] published on (June, 2005) as good book not merely by the cover but also by content. This is one reserve that can break don't determine book by its cover, so do you still needing one more sixth sense to pick this particular!? Oh come on your looking at sixth sense already told you so why you have to listening to yet another sixth sense.

Nicholas Gober:
