### **A Beginner's Guide To Growing Organic Flowers, Herbs and Vegetables At Home**

This is a beginners guide to help you design containers that will exhibit the colors of summer, and the scents of spring. With a Container Garden, you can have an all year round display of blooms and evergreens.

From old boots to wheelbarrows, learn about common containers so your plants will survive.

Your display can be:

- On the ground
- On a pedestal
- In a hanging basket
- In a porch or a patio
- On a window sill
- Attached to a wall in a display of trellises, shelves and hooks

I will provide you with some realistic ideas so that you make the outside, or the inside of your home, look stunning, colorful and welcoming.

The following chapters will guide you on:

- Drainage
- Watering
- Soil pH levels
- Feeding

All essential processes when creating your garden in containers. With these 37 essential tips, you will soon have the confidence to experiment with plants, vegetables, fruits, herbs and edible plants. All of which will blend together in colors and fragrances, and taste delightful in a cooking pot.
