**The Most Important Thing You'll Ever Study: A Survey of the Bible (Vol 1 - 4 and Answer Key)** Starr Meade

The Bible is often neglected or weakly emphasized in the education of our children. However, author Starr Meade contends that God's Word is the most important thing a Christian will ever study. This introductory overview of the message of the Bible encourages middle and high school students to explore God's Word for themselves. Available in multiple volumes or as a set, *The Most Important Thing You'll Ever Study* leads young teens through the story of the Bible chronologically, teaching them about important themes and topics, such as the role of God as the main character of his own story and the relationship between Scripture's divine inspiration and human authorship.

Students can either use the text as a supplementary companion to their own reading of Scripture, or they can simply use the study guide to move through the Bible from beginning to end.
