The Unbreakable Child Kim Michele Richardson

The Unbreakable Child, a story about forgiving the unforgivable, is a riveting journey inside the secretive underbelly of the St. Thomas/St. Vincent Orphan Asylum in rural Kentucky. It is the first book in the United States to confront the institutionalized physical and emotional abuse suffered by countless orphans at the hands of Catholic clergy over these last decades. It also documents the historic United States lawsuit and first-ever settlement paid by Roman Catholic nuns in the United States as recompense for decades of brutal institutional abuse of the author, her sisters, and 42 other children.
