Haganai: I Don't Have Many Friends, Vol. 4 Yomi Hirasaka

Now a hit anime going into its second season!

This is the fourth volume of an ongoing manga series that is sure to appeal to today's manga fans in the same way *The Big Bang Theory* appeals to geeks.

Recent high school transfer student Hasegawa Kodaka is pathetically inept at making friends. Kodaka is an outcast, with his natural blond hair which he inherited from his deceased English mother, and his unpleasant, fierce gaze. When he comes across the brash loner Mikazuki Yozora, who typically chats with her imaginary friend, the two outsiders become the unlikeliest of allies.

Realizing that they have no hope of a normal social life, the two rejects decide to form a group called "The Neighbor's Club" in order to make friends and maybe even learn a thing or two about social skills. As luck would have it, five new members join the club who are more socially awkward than they are. Will these quirky misfits ever make normal friends, or are they all doomed to social failure?
