## **The Will of God** Leslie D. Weatherhead

What is the will of God? Is it his divine plan outlined by biblical laws and commandments? Does it promise perfect fulfillment and peace? Has it been set in place since the beginning or can it be interpreted differently with each new age? The phrase “the will of God” is often misunderstood and misrepresented—and the consequences of this, says Leslie Weatherhead, is serious.

During the tumultuous era of World War II, Weatherhead preached five sermons on understanding the will of God for the congregation at City Temple in London. These sermons explored how God’s will is related to God’s character and ultimate intentions for us and eventually became *The Will of God*. This classic book has helped more than a million grieving persons better understand an important spiritual teaching.
