## Young Bucks: How to Raise a Future Millionaire Troy Dunn

*Young Bucks: How to Raise a Future Millionaire* is on the cusp of an important new way of understanding how we earn, keep, and spend money. It is a straightforward, practical, and entertaining manual that debunks a number of parenting myths that work against financial independence, such as allowances. This book also teaches parents how to identify the entrepreneurial skills that, to some degree, every child has and guides them to strengthen those skills.

A self-made millionaire and father of seven, Troy Dunn gives you practical templates for easy, kid-friendly businesses that you can introduce to your children so that they can start earning their own money quickly.

*Young Buck\$* includes everything Dunn has learned during his very successful business career as an entrepreneur and in his work with thousands of young people seeking business guidance. It features chapters on age-appropriate, step-by-step action plans for you to help your children find and implement great money-making ideas. Additional chapters explain what schemes you should avoid, how to spot business scams, why lotteries are a terrible place to put your money, why it's good for kids to invest in the stock market, and practical advice on the legal aspects of owning a business.

**Troy Dunn** is a self-made millionaire. He is a successful businessman and public speaker, radio host, and writer on the subject of financial success and personal happiness. For his business venture dedicated to reuniting separated friends and family, Troy was considered for more than a decade one of the most frequently seen guest experts on national television. After thirteen years of building and running that company, Troy sold it for undisclosed millions, freeing him to focus on his passion for assisting other organizations. He now consults four corporate clients a year in motivating their own management teams in leadership, overcoming obstacles, team-building, and guerrilla marketing and in major media manipulation, strategy, and results. Troy married his high-school sweetheart, Jennifer, and together they are raising seven beautiful children.
