ALL LOCKED UP is a 27,000 word female domination story about how Paul's life is changed for ever by false assumptions, his inquisitive nature and being left on his own while his wife is with her female lover for the weekend. Unknown to Paul, Gwen has had a private detective follow him and produce a report that he is cheating on her. While she is away explaining her news and plans for the future to her lover Sasha, Paul discovers some of the equipment that Gwen had bought and stored away. He is fascinated by it and tries a set of collar and cuffs on then loses access to the keys and has to wait in chains for his wife's return. The story goes on to tell how Paul is tried in "court" for his crimes with Sasha as the judge and how his life works out from then on. It is a fun story that I hope you will enjoy reading. Thank you for looking.
