## Hunter's Mark (Beyond Fairytales series Book 8) V.S. Morgan

Artist Casey Smith lives a quiet life, under the radar of his enemies, until one fateful night he loses control and the astonishing image of a wolf racing down a suburban street splashes all over social media.

Hunter's bullet never misses its target. The assassin seeks out and kills his prey with a clear conscience by following two simple rules: 1) Don't kill innocents. 2) Don't kill shifters.

Realizing his latest assignment violates those rules, the hunter activates *Princess Protocol* and the assassin becomes the protector. Red hot attraction flares between the hit man and his former target. Can Hunter resist the sweet shifter in his care?
