Secrets of Six-Figure Women: Surprising Strategies to Up Your Earnings and Change Your Life

Barbara Stanny

Quietly and steadily, the number of women making six figures or more is increasing and continues to rise at a rate faster than for men. From entrepreneurs to corporate executives, from white-collar professionals to freelancers and part-timers, women are forging careers with considerable financial success.

In *Secrets of Six-Figure Women*, Barbara Stanny, journalist, motivational speaker, and financial educator, identifies the seven key strategies of female high earners: A Profit Motive, Audacity, Resilience, Encouragement, Self-Awareness, Non-attachment, and Financial Know-How.

Based on extensive research and hundreds of interviews, including more than 150 women whose annual earnings range from \$100,000 to \$7 million, Barbara Stanny turns each of the six-figure traits into a specific strategy for upping earnings. By rigorously fine-tuning them, readers can, step-by-step, climb the income ladder.
