By the time a Christian reaches young adulthood, he is likely to be quite familiar with every major story in the Bible, but not from having studied them in any particular order. Ask an average Bible student to arrange certain characters and events chronologically, and the results are telling.

Telling God's Story looks closely at the Bible from its Genesis beginning to Revelation conclusion. By approaching Scripture as one purposefully flowing narrative, emphasizing the inter-connectedness of the text, veteran college professors Preben Vang and Terry Carter reinforce the Bible's greatest teachings and help readers in their own ability to share God's story with others.
