For years, Kate Wrangler refused to return to her family's ranch in the small town of West Yellowstone. But after receiving a call that her good-for-nothing father finally dropped dead, she's obligated to sell the decrepit property. As if things couldn't get any worse, Logan Grant, the sexy heart-breaker who ruined her life, is hanging around the barn when she arrives. She's only planning on staying long enough to sell the ranch. He can try all he wants, but Kate's never going to fall for his heated glances and sultry kisses.

Cowboy bear shifter Logan Grant takes one look at Kate's curvy figure and makes it his mission to help her repair the ranch—and the bond between them. She still hates him, but that's not going to stop him from claiming her as his mate. When he finds out she hasn't shifted in over a decade, his bear decides to show her what it means to be feral. He only has one week to steal her heart, but with the magic of Christmas on his side, he's ready to do whatever it takes to claim his fated mate.

This is the third book in the paranormal bear romance series - Curvy Bear Ranch. This is a stand-alone book with NO CLIFFHANGERS. Love scenes are fully realized and at times include explicit language. Intended for readers 18+.
