The Keeper Of The Wind Mark Shaw

When a trio of high school seniors list three ancient artifacts for sale on eBay, professor and archeologist of native artifacts, Mitch Waters, believes he hit the jackpot. But is he concerned more with historical preservation or his own fame and fortune?

Author Mark A. Shaw brings together an unlikely yet entertaining trio of high school seniors, each of a different race and upbringing, who are separated from their senior class during a high school camping trip. On their own in the wilderness, they come across three authentic artifacts in a hidden cave.

The events that unfold once they return to safety and attempt to sell their newfound treasures on eBay intersect modern with ancient worlds, superstition with truth, and trust with trickery. In the tradition of children's literature classics, *The Keeper of the Wind* takes readers on a magical and enthralling journey, along which three best friends learn the true meaning of friendship, teamwork, and perseverance.

This page-turning read introduces Mark A. Shaw as a powerful up-and-coming young adult fiction novelist, leaving readers to wonder: Will there be a sequel?
