## **Therapy in Nephrology and Hypertension: A Companion to Brenner & Rector's The Kidney, Expert Consult - Online and Print, 3e** Christopher S. Wilcox MD

Thoroughly revised, the new edition of this companion to Brenner & Rector's The Kidney equips you with today's guidance to effectively manage renal and hypertension patients. International authorities emphasize the specifics of treatment while presenting field-tested advice on the best therapeutic strategies available. New chapters reflect the latest evidence impacting current clinical issues, while a new, two-color design helps you reference the information more easily. And now as an Expert Consult title, it offers convenient online access to the complete contents of the book-fully searchable-anytime, anywhere.

- Presents the most comprehensive text available on nephrology and hypertension treatment for a convenient single source that is easy to consult.
- Features the evidence-based guidance of leading authorities for making more informed clinical decisions.
- Offers in-depth discussions and referenced coverage of key trials to help you analyze the results and the evidence provided.
- Provides treatment algorithms and tables of commonly used drugs in each chapter for quick-access expert advice on arriving at the best and most appropriate treatment regimen.
- Includes access to a companion website-featuring the complete text, fully searchable-providing quick and convenient consultation from any computer with an Internet connection.
- Offers new chapters on erectile and sexual dysfunction, transplant immunology and immunosuppression, dietary salt restriction, and systematic vasculitis and pauci-immune glomerulonephritis that reflect new evidence impacting current clinical issues.
- Presents the contributions of newly assigned section editors-authorities in their subspecialty fields-who offer you the benefit of their practice-proven expertise.
- Provides rationales for the therapies presented to help you choose the most effective treatment for each patient.
- Features a new two-color design that presents information in a more user-friendly accessible way.

Your purchase entitles you to access the web site until the next edition is published, or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. If the next edition is published less than one year after your purchase, you will be entitled to online access for one year from your date of purchase. Elsevier reserves the right to offer a suitable replacement product (such as a downloadable or CD-ROM-based electronic version) should access to the web site be discontinued.
