Who says being a teacher is boring? They obviously haven't met the staff at Carver High. Find out what happens when the bell rings, and the teenage drama ends and the adult drama begins in this four-book romantic comedy series.

The passion between Mel and Ty is undeniable. But do they have the love to go the distance?

Melissa Cruz has been in love with Tyler Gelson, her best friend's Sex God of an older brother, since ... well, since forever. She's let Tyler slip away in the past, her fears getting the best of her. But this time, this time she is determined to get what she wants and what she wants is a second chance at love. There is only one problem. Tyler lives miles away.

Is love worth packing everything up and leaving her family and best friend behind?

Tyler Gelson has admired his little sister's spitfire of a friend, Melissa Cruz, since the day she brought her home. Over the years he watched her turn from gangly kid into one hell of a hot woman and he has definitely taken notice. He has fallen and he has fallen hard. But with love comes decisions and he may have to make the biggest one of all. Is love worth leaving his dream job and moving back home?

When unexpected news comes their way, will a long distance relationship be too much to handle? Or will these soul-mates prove that the love they share is more than just what happens *Between The Sheets*?

(Although, that's pretty damn good too.)

Warning: this book contains the following adult content.

Sex and nudity: Yes!
