Facial Plastic and Reconstructive Surgery

Facial Plastic and Reconstructive Surgery

This fourth edition of Facial Plastic and Reconstructive Surgery keeps readers up-to-date on recent developments in the field, including microvascular techniques, minimally invasive cosmetic procedures, and unique applied technologies. Along with comprehensive surgical chapters, the text addresses practical issues driving changes in facial plastic surgery practice: ethnic variations, anti-aging strategies, ambulatory surgical concerns, and evidence-based decision making.

Key Features:

- Online access to more than 30 videos demonstrating the latest procedures and techniques
- New chapters on African rhinoplasty, facial paralysis treatment, evidence-based facial plastic surgery, tissue engineering, costal rib utilization techniques, and face transplants
- Clinical insights from luminaries in the field of facial plastic and reconstructive surgery
- More than 2,000 full-color images and illustrations demonstrate main concepts

For over two decades experienced surgeons, fellows, and residents have successfully relied on Facial Plastic and Reconstructive Surgery to prepare for surgery and clinical rotations, as well as their in-service and board exams. Today's facial plastic surgeons know this new edition offers them the latest, most comprehensive coverage of facial plastic surgery. Practicing facial plastic surgeons, plastic surgeons, and otolaryngologists will use this book to stay up-to-date on developments in the field and to brush up on less familiar procedures.

From reader reviews:

Frances Heath:

Here thing why this Facial Plastic and Reconstructive Surgery are different and reputable to be yours. First of all looking at a book is good nevertheless it depends in the content of it which is the content is as tasty as food or not. Facial Plastic and Reconstructive Surgery giving you information deeper including different ways, you can find any book out there but there is no publication that similar with Facial Plastic and Reconstructive Surgery. It gives you thrill looking at journey, its open up your own personal eyes about the thing this happened in the world which is probably can be happened around you. You can bring everywhere like in area, café, or even in your approach home by train. When you are having difficulties in bringing the printed book maybe the form of Facial Plastic and Reconstructive Surgery in e-book can be your alternative.

Alice Ybarra:

Information is provisions for anyone to get better life, information currently can get by anyone in everywhere. The information can be a know-how or any news even a huge concern. What people must be consider whenever those information which is inside former life are hard to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you get the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take Facial Plastic and Reconstructive Surgery as your daily resource information.

Betty Blake:

A lot of people always spent their particular free time to vacation or even go to the outside with them loved ones or their friend. Are you aware? Many a lot of people spent they free time just watching TV, or even playing video games all day long. If you would like try to find a new activity this is look different you can read any book. It is really fun for yourself. If you enjoy the book that you simply read you can spent the entire day to reading a reserve. The book Facial Plastic and Reconstructive Surgery it is very good to read. There are a lot of individuals who recommended this book. We were holding enjoying reading this book. If you did not have enough space to create this book you can buy typically the e-book. You can m0ore effortlessly to read this book from your smart phone. The price is not to fund but this book offers high quality.

Titus Johnson:

Playing with family in the park, coming to see the water world or hanging out with pals is thing that usually you could have done when you have spare time, in that case why you don't try point that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Facial Plastic and Reconstructive Surgery, you may enjoy both. It is very good combination right, you still need to miss it? What kind of hang type is it? Oh can happen its mind hangout folks. What? Still don't understand it, oh come on its referred to

as reading friends.
