The book Friendly Fire was created because many soldiers are killed on the battlefield by friendly fire. In addition, in Roswell, New Mexico in 1947, there was a space ship crash and Aliens were abducted. The secrecy of the story has created much controversy in the world in which we live. This story is about the crash and the U.S. government trying to find the Aliens who were abducted. The story creates another concept how the actual story could have happened.

There is a hero in the story named Friendly Fire. He is the supreme commander of Tron. He leads his forces in the battle to fight evil. The space frontier is challenged by the evil

Premators who spread evil. The Ice Force is challenged by fighting evil to make good prevail. A certain number of planets called the Qyrad try to overcome the evil Trox. A girl

from the planet Earth and an ex-intelligence officer work together to get the original Aliens back. The Earth duo works at keeping a war from starting with an Alien government. The

heroic characters and all of the forces of evil shows that there is foreign life in space and Earth is only a small size in the big universe. May the force be with you.
