Judges, Transition, and Human Rights

Judges, Transition, and Human Rights

This book brings together leading scholars from a range of disciplines to examine some of the most pressing questions asked of the role of human rights in international relations. The essays focus on the intersection between the role of judges, the language of human rights, and the politics of societies in transition. The international range of the essays covers experiences as diverse as South Africa, the U.S.A., Great Britain, the Balkans and Northern Ireland.
