National Geographic Dawn to Dark Photographs: The Magic of Light National Geographic

The world's best landscape photography and photojournalism stunningly depicts the passage of a single day, from dawn's first light to the closing moments of sunset. Experience shimmering mornings and opaque nights through the eyes of National Geographic's finest photographers in this gloriously uplifting mini volume. Daybreak whispers mauve over a long ocean horizon. The morning sun twinkles in a drop of dew. The broad heat of midday radiates over a beach strewn with sweat-baked sunbathers. A slender crescent moon caresses a gnarled tree standing alone on the heath. Full of one-of-a-kind photographs, this breathtaking collection gives readers a front-row seat to the world's wonders, from its most imposing cityscapes to its most pristine landscapes.
