The European Council

Jan Werts

The European Council Jan Werts

The European Council - the summits of the heads of government of the member states - was founded in the mid-1970s and has steadily consolidated its role as the driving force of the European Union, setting overall strategy and resolving policy conflicts. Under the Treaty of Lisbon it will for the first time become an official Institution of the EU with a permanent, full-time President. In this detailed examination of the work of the European Council, the author explains its historical origins and systematically explores its evolution, how it operates, and its role vis a vis the Commission, the Council of Ministers and the European Parliament. The implications of the changes under the Treaty of Lisbon are explored in detail, including the impact of the intended appointment of a full-time "president of Europe". The text has been framed to be of value both to those studying the EU from an academic perspective and to those working within the institutions who need to understand the emergence and methods of a body whose activities have often take place outside the formal limitations of the EU treaty structure.

From reader reviews:

Rhonda Munoz:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each e-book has different aim or goal; it means that e-book has different type. Some people truly feel enjoy to spend their a chance to read a book. They are reading whatever they consider because their hobby is definitely reading a book. What about the person who don't like studying a book? Sometime, man or woman feel need book once they found difficult problem or even exercise. Well, probably you should have this The European Council.

Kristopher Sutherland:

In this 21st millennium, people become competitive in most way. By being competitive right now, people have do something to make these people survives, being in the middle of the crowded place and notice simply by surrounding. One thing that at times many people have underestimated the idea for a while is reading. That's why, by reading a reserve your ability to survive improve then having chance to remain than other is high. For you who want to start reading some sort of book, we give you this kind of The European Council book as starter and daily reading publication. Why, because this book is greater than just a book.

Robert Monson:

Reading a publication tends to be new life style with this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Using book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their own reader with their story as well as their experience. Not only the storyplot that share in the textbooks. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors in this world always try to improve their talent in writing, they also doing some analysis before they write on their book. One of them is this The European Council.

Jamie Wallace:

What is your hobby? Have you heard that will question when you got pupils? We believe that that question was given by teacher with their students. Many kinds of hobby, All people has different hobby. And you also know that little person including reading or as reading become their hobby. You should know that reading is very important as well as book as to be the thing. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You discover good news or update about something by book. A substantial number of sorts of books that can you take to be your object. One of them is this The European Council.
